

Pine Avenue

Streetscape Improvement Project

Please join Councilmember Robert Garcia, 1st District, Councilmember Suja Lowenthal, 2nd District, and the Long Beach Redevelopment Agency for the second Pine Avenue Streetscape Improvement Project community meeting:

January 28, 2010 * 5:30 pm

First Congregational Church

241 Cedar Avenue

For more information, call (562) 570-6615 or visit www.LongBeachRDA.org

At this meeting you will have a chance to view and provide input on the proposed new streetscape design for Pine Avenue, including information on widened sidewalks, new paving, street furniture, lighting, and landscape.

In conjunction with the Pine Avenue Streetscape Improvement Project, the City's Department of Public Works is proposing changes to the **Public Walkways Occupancy Permits**, which will provide new standards and guidelines for restaurant use of public sidewalks. Your input is sought as part of this process.
